Mr. Lion and His Sneeze

Mr. Lion said,
"I am going to Sneeze!"
(Point to self)

So he put his head down
Between his knees!
(Put head down between knees)

He opened his mouth
And out it flew
(Open mouth)

A giant super loud
"ACHOO!"
(Sneeze loudly)

The jungle floor jiggled
And the trees all wiggled
(Wiggle and jiggle body)

And the birds were flown
To Bombay
(Make flying motion with hands)

And the elephants were tossed
Every which way
(Slap hands on knees)

Mr. Lion looked up and roared,
(Look up)

"Oh my, a windstorm just passed!"
