

# Short'nin Bread (Page 2)

Slip to the kitchen, slip up the led,  
Filled my pockets full of short'nin' bread;  
Stole the skillet, stole the led,  
Stole the gal makin' short'nin' bread.

Mama's little baby loves short'nin', short'nin',  
Mama's little baby loves short'nin' bread,  
Mama's little baby loves short'nin', short'nin',  
Mama's little baby loves short'nin' bread.

Caught me with the skillet, caught me with the led,  
Caught me with the gal makin' short'nin' bread;  
Paid six dollars for the skillet, six dollars for the led,  
Spent six months in jail eatin' short'nin' bread.

Mama's little baby loves short'nin', short'nin',  
Mama's little baby loves short'nin' bread,  
Mama's little baby loves short'nin', short'nin',  
Mama's little baby loves short'nin' bread.
