Prefixes

Prefixes are added to the beginning of root or base words. When you add a prefix to a base word, you change the word’s meaning.

Some common prefixes and their meanings:

- **re** -- again, back
- **dis** -- not
- **pre** -- before
- **un** -- not, opposite
- **mis** -- wrong
- **under** -- below

Directions: Write the meaning of each word. Example: unhappy -- not happy

1. dishonest -- _______________________
2. replay-- _______________________
3. underwater-- _______________________
4. preview-- _______________________
5. unable-- _______________________
6. redo-- _______________________
7. preschool -- _______________________
8. untied -- _______________________
9. mistreat -- _______________________
10. underage -- _______________________
