

Name: _____

Cause and Effect

A **cause** is something that makes something else happen. It happens first and answers the question "Why did this happen."

An **effect** is what happens as a result of the cause. It happens last and answers the question "What happened."

Directions:

Write a cause or effect to fill in the boxes below.

Cause	Effect
Kendra practiced basket ball every day.	She scored a lot of points in the game.
It snowed all day on Sunday.	
	I was hungry all day.
Maya studied for three hours.	
	I was very tired the next day.
	We had no lights or heat.
John threw a rock at the window.	
Bob and Tom played football in the mud.	
	We bought her a present.
	The dog growled very loudly.

Now try to make your own.
