

Name: _____

Singular and Plural Nouns

A *singular noun* names one person, place, or thing.

A *plural noun* names more than one person, place or thing.

Add *es* to singular nouns that end with *sh*, *ch*, *x*, and *z*, *s* to make them plural.

Rewrite each sentence to change the singular noun to a plural noun.

example: I ate a peach for a snack. I ate three peaches for a snack.

1. There is a dish on the table.

2. I made a wish on a falling star.

3. The mailman brought a box to the house.

4. We found a toothbrush in the bathroom.

5. I saw a bus at the school.
