Mister Duck's Visit

Mister Duck went To visit Mister Turkey, And he walked with a Wobble, wobble, wobble; And he said, "Howdy-Doo," To Mister Turkey, Mister Turkey said, "Gobble, gobble, gobble"; Mister Duck then answered, "Quack, quack, quack," And headed off To find a snack: Mister Turkey said, "I'll go with you," And they looked So very odd, those two; Mister Duck was walking Wobble, wobble, wobble; Mister Turkey talking, "Gobble, gobble, gobble."
