

Name _____

Possessive Nouns/Showing Ownership

A possessive noun shows who or what something belongs to. Singular nouns are made possessive by adding 's.
Example: *The book that belongs to Laci is on the table. → Laci's book is on the table.*
Example: *The tail of the dog is wagging. → The dog's tail is wagging.*

Directions: Rewrite each underlined noun to make it possessive.

1. Kyla mom brought candy and cookies for the party. _____

2. The dog bone is buried in the back yard. _____

3. Katie sister was in my class last year. _____

4. Do you know if Kevin team won the game? _____

5. I can't find my mom keys anywhere. _____

6. We saw Seth car in the parking lot. _____

7. The baby bottle had milk in it. _____

8. The door to Nate classroom was locked. _____

9. Gabe friend wanted the Packers to win the game. _____

10. The children picnic was ruined by the rain. _____
