

Name: _____

Point of View/Context Clues Paired Activity

Read the short passages and answer the questions.

Passage 1

I ran across the warm sand, feeling it squish between my toes. The waves crashed against the shore, sending cool sprays of water onto my legs. I spotted a crab scuttling quickly near a rock and crouched down to watch it. The sun shone brightly in the sky, making the water sparkle like diamonds. I collected seashells along the shoreline, amazed by their smooth and shimmering colors.

Passage 2

Aiden ran across the warm sand, feeling it squish between his toes. The waves crashed against the shore, sending cool sprays of water onto his legs. He spotted a crab scuttling quickly near a rock and crouched down to watch it. The sun shone brightly in the sky, making the water sparkle like diamonds. He collected seashells along the shoreline, amazed by their smooth and shimmering colors.
